

## Are you an online advertising expert?

We are seeking a very special person to be **Sales Manager** ideally based in our Palo Alto, CA global headquarters.

The right person for the job will grasp the major changes that are taking place in the US online advertising market. New ways to provide highly efficient targeted ads are quickly changing the rules of the game.

Thanks to a revolutionary retargeting technology, Criteo is one of the fastest growing European players in the online advertising industry. We are backed by Index Ventures (backers of Skype), and in the last year have built a portfolio of more than 200 clients including many of the largest e-commerce merchants across Europe .

With our new Silicon Valley headquarters, we have recently launched in the US. Things look very promising.

If you...

- are professional about doing business, with great commercial skills and energy
- understand the online advertising business and how a highly efficient ad technology can have a huge impact on the market
- are looking for an exciting challenge to demonstrate your real potential in an ultra fast growing company
- are happy, but with the right opportunity could be even happier
- have the skills and enthusiasm to join our amazing US team
- are willing to roll up your sleeves to convince major advertisers to work with the most exciting new ad solution in the market
- want more excitement, challenges and rewards for your efforts

... then you might be the person we are looking for! In this position, you will have the rare opportunity to join the new headquarters of the most promising advertising technology since the invention of SEM.

We work hard, play hard and we all share the same passion for e-commerce, advertising and technology. Our values are team work, openness, technical innovation, and results-orientated thinking. The Criteo corporate culture is all about attracting and retaining the best talent.

This job is a great opportunity for a self-motivated, proven business closer, Sales Manager with an excellent track record for hitting targets. We aim to reward excellence so there are fantastic opportunities for the right candidate.
