

Client Support and Implementation Engineer Germany

Based in Paris, France

Sie haben Interesse an einer neuen Herausforderung, um Ihre technischen und kommunikativen Fähigkeiten in einem interessanten & expandierenden Umfeld unter Beweis zu stellen?

Als die richtige Person für diesen Posten, haben Sie ein Gespür für aktuelle Tendenzen und Trends auf dem deutschen Online-Werbemarkt. Die Spielregeln der Onlinewerbung werden sich Dank neuer Methoden, hoch effiziente und gezielte Werbung auszuliefern, bald ändern.

Criteo zählt heute mit seiner revolutionären Retargeting Technologie zu einem der schnellst wachsenden, europäischen Anbieter in der Onlinewerbung. Unser Portfolio umfasst europaweit mehr als 200 Kunden, zu denen u.a. zählen: FNAC, eBay, 3Suisses, PriceMinister, TUI, SFR, Marks&Spencer, Office und Yoox.

Der Start auf dem deutschen Markt Anfang des Jahres verläuft sehr vielversprechend: In nur einigen Monaten haben wir bereits bedeutende Kunden von unserer Technologie überzeugen können, wie bspw.: BAUR, C&A, Conrad, ATU, Uhrzeit, Gourmondo, Globetrotter...

If you

- Graduated from University Degree in Computer/Telco Sciences or closely related field,
- Are a business professional first, with great technical and communication skills and dynamism,
- Have a real interest in the online advertising business and are convinced we can have a huge impact on the market with a highly efficient Ad Technology,
- Are looking for an exciting challenge to demonstrate your real potential in an ultra fast growing company,
- Are happy but, with the right opportunity, would be even happier,
- Have the skills and enthusiasm to manage clients' relationship and support our amazing German sales team,
- Are willing to roll up your sleeves to actively participate to our business development in providing the best solution at the right time,
- Are excited by the idea of joining a world-class team,
- Seek more excitement, challenges and rewards for your efforts
- Are German native speaking, fluent in English and ideally fluent in French

You can't miss the opportunity we offer you to develop your career. Join us to contribute to the most promising advertising technology since the invention of SEM !

We work hard, play hard and we share the same passion for e-Commerce, Advertising and Technology. We value team work, openness, technical innovation, and results-orientated thinking. Criteo corporate culture is all about attracting and retaining the best talents.

We aim to reward excellence so there are fantastic opportunities for the right candidate.

Salary: Attractive package, depending on experience.
