A Quick Guide to Maximizing Sales this Mother's Day

Mother's Day is just around the corner on Sunday, May 13th.

From flowers, chocolates, and jewelry to gardening tools, vacuums, and washing machines, moms can look forward to all kinds of gifts this year. For retailers and brands, the month before offers an opportunity to capture even more impressions, conversions, and sales. Start marketing early to win the season from first search to the final moment of purchase.

Increase CPCs in the run up to the holiday.

As Mother's Day approaches and shoppers become more active, maintain high CPCs and plan to run budgets uncapped throughout the final days before. As gifters start thinking about honoring the lady of the house with more of the things she needs and wants, big ticket items like vacuum cleaners, washing machines, and refrigerators start heating up.

Days leading up to Mother's Day

Optimize your mobile strategy.

Take advantage of spontaneous, on-the-go buys through a comprehensive mobile strategy. As shoppers remember to celebrate all the moms in their lives, be ready for last-minute wallets, watches, bags, blenders and more to go from smartphone search to shopping cart faster than a speeding Nutribullet.
